Real Estate or Professional Inspector Courses

TREC Provider #296, #4584

***Become a Professional Inspector – Start a New Career
Owning Your Own Business***

**Whether your goal is to become a Real Estate Inspector or
Professional Inspector, a consultant, or an IECC and Code Inspector,
The Builder's Academy, Inc. can help you get there!**

With the continuing explosion in the new home market and record-setting existing home re-sales, the time has never been better for you to start your career as a home inspector. This in-demand profession is as important as it is necessary to protect homebuyers as they buy their dream home. Builder's Academy, Inc. can help you to start your new career today. Becoming a home inspector is a great career choice.

Whether you want to open your own practice or business and earn a good income or work professionally in the field, there are opportunities in the City & County.

Government, Private Sector, Home Inspections for Builders, Owner Builders, Real Estate firms, Real Estate schools, Colleges and Trade schools to use your new abilities as well.

Builder's Academy, Inc. now offers you a unique opportunity to become a licensed home inspector. With our proven programs, you'll learn at home at your own pace with our home-study curriculum and also go onsite for ride-a-longs. We have in class options as well as a hybrid approach.

The demand is higher than it has ever been for qualified building inspectors. You owe it to yourself to take advantage of this dynamic opportunity.

When you Enroll in the Builder's Academy Inspector's Course, you won't even have to quit your job! You'll have the freedom to study at your own pace, in your spare time or study full-time to graduate as quickly as possible. Our inspection course is approved by the Texas Real Estate Commission. It can be done in 6 weeks, but you are allotted 6 months to complete the course.

How do you get started? The Texas Real Estate Commission offers several avenues to obtain your license to become a home inspector. Go to their website <https://www.trec.texas.gov/> and proceed to the "Become Licensed" tab and decide which method is the best for you to enter the profession of a Real Estate or Professional Inspector. The Builder's Academy, Inc. can help you with this decision and to reach your specific goal.

Real Estate Inspector

To become a Real Estate Inspector, You need a Sponsor

Current Apprentice Inspectors: **Sponsored** Experience and Education

- Have at least 3 months of active experience as a licensed apprentice inspector sponsored by a Texas professional inspector during the 12-month period preceding the application date.
- Complete 25 real estate inspections under direct supervision.
- 40 hours in Property and Building Inspection Module I
- 40 hours in Property and Building Inspection Module II
- 10 hours in Business Operations and Professional Responsibility Module

Substitute Experience and Education

- 40 hours in Property and Building Inspection Module I*
- 40 hours in Property and Building Inspection Module II*
- 10 hours in Business Operations and Professional Responsibility Module
- 24 hours in Texas Standards of Practice Module
- 40 hours in Texas Practicum

A Real Estate Inspector is different than a Professional Inspector as a Real Estate Inspector can inspect homes but must have a Professional Inspector as a Managing Sponsor. A Real Estate inspector works under a Professional Inspector with indirect supervision and can perform home inspections in Real Estate or for a Municipality, City or County.

"Real Estate Inspector"

Only \$2,995.00

Includes 40-hour Onsite and Report Writing Experience "Texas Practicum" and Prep Test included.

Only \$2,495.00

Without 40 Hours Onsite and Report Writing Experience "Texas Practicum" and Prep Test

We can sponsor a Real Estate Inspector Student for an additional cost after graduation and TREC approval. Likewise, upon graduation we have opportunities as well to join our Inspector team.

Real Estate Inspectors must have a sponsoring Professional Inspector. You do not need a sponsor until you are licensed. [No Sponsor required if you Upgrade to Professional Inspector. See below which Includes 40 hours Texas Practicum training, 16 hours of report writing and more with additional courses plus added textbooks, materials and two prep tests included to help you learn and succeed and pass your State and National Inspectors exam. Exam fees for Licensing or Certification is NOT included in any of our courses. Call 281-558-4100 for details or to make an appointment.

REQUIREMENTS FOR COMPLETING A COURSE

To complete the course and receive your completion certificate, you must successfully complete the following requirements:

1. Complete ALL instructional lessons in the course. Complete the finals with a score of 70% or better.
2. If required complete all required Texas Practicum work. (Student is responsible for keeping track of completed hours).

CERTIFICATE OF COURSE COMPLETION

Upon completion of a course, you will receive a Completion Certificate. In the event the certificate is lost, a duplicate may be obtained from Builder's Academy, Inc. offices by request. An administrative fee of \$10.00 may be charged for the duplicate.

COURSE AND FINAL EXAM MAKE UP POLICY

Students who are unable to attend mandatory coursework will be allowed to make up those hours if they do so within the period of enrollment.

If a student has to miss due to illness or other unfortunate circumstance, then upon review on a case-by-case basis they may be allowed an extension of time to complete the hours.

If a student is unable to complete all final exams within the time period they might be allowed to make up the exams at no charge if circumstances warrant, or may be charged \$25.00 to take any single final exam.

REGISTRATION CANCELLATION POLICY

You have the right to cancel your student's registration for any reason up to three days (72 hours) (3) business days from the date of purchase. A cancellation fee will be charged to the student to cancel a registration. The amount of the cancellation fee is 15% of the total purchase amount. If the course includes one or more textbooks, the books must be returned at the student's expense. The request for cancellation will not be processed until the book(s) are returned to the school in reusable condition (if applicable). This does not mean that a school must issue a refund to the student under any circumstances.
